

# **FIRE Break-out Session**

FIA Prague

13 May 2009

11:00 – 13:30, KEPPLER

# Panel 1

1. Experimentally-driven research aspect domain-wise (30 min, 5 min statements each, 10 min discussion)
  - Moderator: Dimitri Papadimitriou, Alcatel-Lucent
    - Martin May, Thomson - Content networks
    - Dimitri Papadimitriou, Alcatel-Lucent - MaNa
    - Bernhard Plattner, ETHZ - Trust & Identity
    - Susanna Avéssta, DIMES - Socio-Economic

# MaNa Session

- **Topics (vertical vs horizontal): deeper level**
  - Vertical: e.g. virtualization
  - Horizontal: e.g. routing
- **Opposite viewpoints: challenge/problem itself, functional and architectural**
- **Experimental objectives and methodology: functional, architectural components, and performance assessment**
  - ... “better vs different”
